Navigator® Pro

Suction Cleaner

SMARTDRIVE® PROGRAMMED STEERING
FOR COMPLETE POOL COVERAGE

COVERS EVERY CORNER

Equipped with patented SmartDrive® technology, Navigator® Pro systematically travels the floor, walls* and coves of your pool, creating thorough, reliable results. And with enhanced maneuverability, it keeps moving until the job is done.

MAKES MAINTENANCE EASY

Navigator Pro eliminates the need to empty debris bags, reducing overall maintenance and increasing relaxation time. Its advanced design cleans quietly and efficiently for a more peaceful backyard.

PROVIDES SUPERIOR SUCTION

By connecting directly to your pool's filtration system and installing in less than 10 minutes, Navigator Pro provides unwavering suction. Its wide vacuum inlet and unique wing design create a broad suction path dirt and debris can't escape.
