

'TIS THE SEASON TO BE OMNI

Hayward® **Omni** is the industry-leading pool automation platform. Control nearly every aspect of your pool area from anywhere in the world. You can monitor and control your pool and spa filtration, sanitization, and heating, as well as other amenities such as water features and ambience lighting while you are at work, on holidays, on the couch or running errands with the highest-rated **OmniLogic®** app. There's an **Omni** for every pool.

Find the **Omni** system and add-on that best suits you.

OmniLogic® For Premium New Build Pools

The **OmniLogic®** brings control to the forefront of pool technology with the luxuries of full automation. OmniLogic's modular configuration gives you the ultimate in flexibility and scalability. You can seamlessly and painlessly add devices with plug-and-play expansion. Controls 16 VS pumps without a relay, 4 valves (expandable to 16), upto 16 relays, two separate heating system Salt-ready with optional Hayward salt cell. Remote control works with all OmniLogic remotes.

Smart phones, smart watches and tablets shown not included. App only.

OmniHub® For New and Existing Entry-level Pools

Hayward **OmniHub®** is the easiest way to add smart control to any pool and spa. OmniHub can be quickly and easily installed by a pool pro in just a few hours and will control virtually every piece of equipment. Controls 3 VS pumps without a relay, 2 valves, up to 3 Smart Relays, one heating system. Works with wireless & spa side remotes. AquaRite® compatible with AquaRite daughter board.

HLH485 SMARTRELAY

AquaRite® S3 Omni Salt Chlorination with Superior Control

AquaRite® S3 Omni offers all the benefits of superior salt chlorination from the #1 brand in saltwater pools, along with full control of virtually any pool feature with the #1 pool and spa control app. AquaRite S3 Omni systems include the new S3 Turbocells which have a clear body for easy inspection; and authentication feature to avoid knock-offs.

**Universal ColorLogic®
LED Lighting**
Transform Outdoor Illumination

Universal ColorLogic® color LED lighting is available in multiple cable lengths and different sizes; they are the only UL-listed lights to retrofit virtually any existing pool and spa with vibrant color. 100% brighter than any other light on the market, these energy-efficient, lights deliver spectacular color with installation versatility for new pools, spas and fountains.

The 1.5-inch Accent lights provide low-profile, total color coordination of all water environments and complete synchronization with all Universal ColorLogic lights.

Use with Hayward **OmniLogic®** and **OmniHub™** automation systems to unlock exclusive features with **OmniDirect™** mode including dimming and speed control of ColorLogic® LED lights, plus access to programmed light shows and 20 luxurious colors.

Smart phones, smart watches and tablets shown not included. App only.
